

Cluster 1

Cluster 2

Pseudo
Layers

d

The diagram illustrates two clusters, Cluster 1 and Cluster 2, represented by ellipses. Cluster 1 is on the left and Cluster 2 is on the right. Both clusters contain dashed lines. Red arrows point from Cluster 1 to Cluster 2, indicating a relationship or interaction. A red bracket labeled d indicates the distance between the two clusters. The text 'Pseudo Layers' is located to the right of Cluster 2.
